⁺ Figures listed under Typical Analysis are subject to standard analytical deviations. They represent average values and are not to be considered as guarantees. A Certificate of Analysis based on a specific lot will be supplied at time of shipment.

STORAGE AND SHELF LIFE

- Store in cool, dry conditions
- Keep away from pests and odours
- Optimum shelf life within 2 years from date of manufacture

CERTIFICATIONS AVAILABLE

- Produced at a HACCP certified facility
- Kosher

PRODUCT CHARACTERISTICS

- Product deliveries shall conform to the Canadian Food and Drug Act
- Produced from AMBA/BMBRI approved malting varieties (Avena Sativa)
- Raw materials are tested for traces of pesticides, mycotoxins and heavy metals by a 3rd party laboratory
- All ingredients are manufactured, stored and transported in such a manner as to prevent chemical, physical, or biological contamination including pest infestation
- The cereal grains have been produced by sprouting, followed by hot air drying and a screening step to remove the rootlets. After this process, the grains are no longer viable for growth
- Product is ready to use
- This product is intended for further processing in the brewing, distilling and food industries
- Free of Genetically Modified materials
- Product of Canada

ALLERGENS

- Malted Oats are processed in a facility that also handles gluten containing grains
