### STORAGE AND SHELF LIFE

- Store in cool, dry conditions
- Keep away from pests and odours
- Optimum shelf life within 2 years from date of manufacture

### CERTIFICATIONS AVAILABLE

- Produced at a HACCP certified facility
- Kosher
- Organic

### PRODUCT CHARACTERISTICS

- Product deliveries shall conform to the Canadian Food and Drug Act
- Produced from AMBA/BMBRI approved malting varieties (Hordeum Vulgare)
- Raw materials are tested for traces of pesticides, mycotoxins and heavy metals by a 3<sup>rd</sup> party laboratory
- All ingredients are manufactured, stored and transported in such a manner as to prevent chemical, physical, or biological contamination including pest infestation
- The cereal grains have been produced by sprouting, followed by hot air drying and a screening step to remove the rootlets. After this process, the grains are no longer viable for growth.
- Product is ready to use
- This product is intended for further processing in the brewing, distilling and food industries
- Free of Genetically Modified materials
- Product of Canada

### ALLERGENS

- Malt products contain gluten which can cause adverse reaction for people with gluten intolerance
